

Care Matters Conference 4 July 2012

Workshop: Asking the right questions

Speakers & Facilitators:

Mick Ward, Alicia Ridout

Service Design & Delivery for Real Caring Lives.....

How can we afford the care and support we want using cost-effective models of integrated local services?

Format

- Brief introduction – Alicia
- Key themes form this morning – Mick
- Participant guidance - Alicia
- Small group work
- Whole group feedback and prioritisation of key recommendations.

The key question

What should services need to look like in the future to meet the care and support needs of the Y & H populations?

What are the issues related to these decisions and barriers to establishing these services?

Thank you
