To all affiliated organisations and individual members

Dear fellow pensioners

The next meeting of the YHPC will be our AGM followed by our quarterly general meeting on Wednesday, April 19th, and will be held at the

City Of York Tramways Club

1 Mill Street

York

YO1 9PY

The AGM will include annual reports from officers and elections for the officers and committee members. I enclose nomination forms for these elections. Please do not hesitate to put yourself or any one else forward for these elections. Please forward any nominations to me at the above address or by email – it doesn't matter if you don't use the form, as long as it is clear who is being nominated and for which post. We always welcome new blood! Send to me by April 17th please.

The QGM agenda will include reports from our representatives at the NPC Bi-ennial Delegate Conference held this month, and we are also making **extra space for reports from our members and affiliated organisations**. Please come prepared to report anything from your locality and to discuss any issues of interest, or which we might want to pursue at a regional or national level. It is important that we have time to discuss and share our experiences and our ideas.

I enclose a map of York. The Tramways Club is located in square E5. There is a car park opposite the club. Other car parks nearby may be cheaper or allow longer parking time.

There are a number of Park and Ride possibilities. The lines from Askham Bar and Poppleton Bar will bring you within reasonable walking distance of Mill St. I am not sure about the others. But be aware that if you board at a Park and Ride stop **your bus pass isn't accepted!!**

There will be a buffet lunch provided after the meeting, at a charge of £4.50 **Will you please let Barry Bothamley know if you are attending and/or how many from your group will be attending for catering purposes.** Barry's telephone number is 01904 425840 or 07539 513193

Looking forward to seeing you all at York

Paul

Please note:
